

President's Corner . . . JJ Sells

Fellow Boosters - 2 words...**Cody Bellinger!** Wow, what a start to his LA career. His calling up has been quite a shot in the arm for our team and has kept us at or close to the top of the division despite the strong play of both the D'backs and the Rockies.

As I write this article, I'm sitting across the street from the **Pete Rose** statue ceremony here in Cincinnati. Love him or hate him, you have to appreciate the way he played the game. What a great trip we are on. If you haven't done one, plan on joining us next year. And do yourself a favor, come see this team and enjoy Cody Bellinger's game. As always, I'll see you at the ballpark.

Ticket Talk . . . Mae Rosenkranz

This season is turning into a close race between the Rockies, Diamondbacks and our Dodgers! Now I know you want to be part of it to watch and support our Boys in Blue, especially since we are getting to the halfway mark of this season. So how about buying some tickets and coming out to the ballpark and get in on the excitement.

By the time you read this, the 7/06 game will have been cancelled! Moreover, I still need more tickets ordered for the following games to reach our required 20-ticket minimum or they will have to be cancelled as well - 7/26 vs. Twins & Clayton Kershaw BH (\$45); 8/15 vs. White Sox & Gil Hodges BH (\$45); 9/06 vs. Diamondbacks & Selfie Adrian Gonzalez BH (\$45) and 9/26 vs. Padres & Julio Urias BH (\$45).

I am ready, willing and waiting to take your orders!

Membership Notes . . . Danee Gallegos

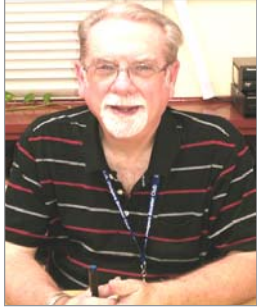

Can you believe our season has reached its halfway point? As our Boys in Blue continue to battle for the NL west title, we have all been left on the edge of our seats with some tight games, some come-from-behind victories and some

walk-off wins. One thing these guys have shown us in the first half is they do not quit. With every out and every play down to the end, we are in these games! Hopes of a 2017 winning season and World Series championship are still alive in all our hearts! I hope all the members are enjoying this amazing season as much as we are.

A big BLUE welcome to ALL! At the start of July, we now have 177 active members. You are welcome to renew in-person at our next Booster meeting or you can easily renew online by visiting our website, dodgersboosterclub.com. Encourage friends, family and other Dodger lovers at Dodger Stadium to join the L.A. Dodgers Booster Club. Next year will be our 60th year of celebrating Dodger baseball as a booster club. Walter O'Malley would be so happy to see how our club has grown. **Remember**, if you recruit 10 new members this year, you will receive a **FREE membership** for 2018.

Final RC Quakes Update . . . John Eiden

We're gonna have a great time out in Rancho Cucamonga on Saturday, August 5th, 7:05 PM, to watch our baby Boys in Blue battle the Lancaster JetHawks, enjoy a postgame fireworks show and to then meet with some future major league Dodgers, as we will host a postgame meal for the players and coaches. We may even have a pregame picnic just outside the stadium. That will be decided at the July meeting based on the number of those interested in taking part.

So, if you are interested in doing this, please be sure to come to the July meeting. As a reminder, the tickets are \$11 and parking is \$5. Whether you have already signed up for tickets or plan to do so at the July meeting, you will have to pay for them in full that night. Only those tickets paid in full that night will be ordered from the Quakes the following day. Please be advised, there will not be an opportunity to purchase tickets at the last minute directly through the Quakes as we have in the past as those tickets set aside for us need to be released to other groups to purchase.

To pick up your tickets – on the day of the game, you will go to the Will Call window at the box office. Give your name and be sure to state you are with the Dodgers Booster Club. You may have to show a photo ID to claim your tickets. The main gate opens at 6:05 PM. If you have any questions, please feel free to contact me at 000.000.0000. Looking forward to seeing ya at the ballpark out in Rancho Cucamonga!

June Meeting Raffles And Fundraisers . . . Michelle Gorum

Happy 4th of July Boosters! Hope everyone is having a great summer so far. Congratulations to the class of 2017. Are we all ready to break out the barbeques? Since it's that time of year, we will be raffling off a BBQ starter gift basket at this meeting (Left). This will be in addition to our regular raffle that night.

Please remember, all the proceeds from the raffles at this meeting will be used to help the club pay for the healthy Waba Grill meals we will be providing to the players and coaches after the Quakes game on August 5th out in Rancho Cucamonga. So, please dig deep and buy raffle tickets to help us out!

Club Memorabilia Sale & Auction . . . Monico Zamora

Great seeing everyone at the last meeting! At that meeting, I announced we plan to have an auction and sale for all things Dodger at our **August meeting**. We are asking everyone to go through all of their own Dodger memorabilia and to donate any items which may be duplicates or you're just tired of dusting around.

- Monday, February 13th
- Monday, March 13th
- Monday, April 10th
- Monday, May 8th
- Monday, June 12h
- Monday, July 10th
- Monday, August 14th
- Monday, September 11th
- Monday, November 13th
- Christmas Party TBA

This will be the perfect opportunity for members to purchase any items missing from their own collections and to find those one-of-a-kind items for the pickiest of Dodger fans.

I have already received a very nice item for this event but you'll just have to come to that meeting to see what it is. I have also received a box of items from another member and several other members at this last meeting came up to me to share their plans to also bring great items for our auction.

We are still actively looking for more items and we need your help to make this an even bigger success, to benefit our club treasury. Please feel free to bring all your donations to the July meeting.

Based on what you all bring in, we'll either move forward with having this event at our August meeting as planned or move it back a month to September to give everyone more time to look through their collections. **Please contact me** at 000.000.0000 if you have any questions.

Booster Club Apparel News. . . Jeff Marsh

Hi Everybody! To all members who were at the last meeting, I want to **thank you** for your overwhelming response to the new rubberized Dodgers Booster Club bracelets we had (see photo). We still have a few left, so be sure to come to the July meeting and pick up your very own for just \$2.

We also started taking orders for our new Sports-Tek jacket. Embroidered with our club logo on front left, is \$60 (most sizes) and with an additional large embroidered logo on the back, is \$140.

We also have a woman's V-neck blue and white top with embroidered logo on front for just \$22. Hopefully we will have some other jacket choices to look at the next meeting. For our July meeting, we will be blowing out ALL of our old stock. **These items will be priced to go!** Go Dodgers!

Booster Blog . . . Brent Wood

Besides Dodger baseball, I enjoy watching a good movie - and one thing good movies typically have in common, is a good soundtrack. In a sense, for many of us that grew up in Southern California since the 1950's, the soundtrack of our youth has been Dodger baseball and, more specifically, **Vin Scully**. Maybe it was with your family on a warm summer's night, hanging out with friends, cruising down to the beach, or lying in bed with a transistor radio, Vin's voice was the

soundtrack of our youth. Like any movie, our lives have emotional highs and lows, twists and turns, plots and subplots. But like any good movie, **what a great soundtrack we all enjoyed over the years.**

In Brief . . . John Eiden

BOOSTER CLUB AWARDS NIGHT – Because we had to go to print just before our annual Booster Club Awards, Kids Take the Field and First Pitch ceremony was held on June 20th at Dodger Stadium, you'll have to wait until the next edition to read all about the great time had by one and all.

LADBC GROUP TRIP TO OHIO – Because we had to go to print right as we came back from Ohio, you'll have to wait until the next edition to read all about the great time we had visiting both Cleveland and Cincinnati and watching the Dodgers win all 4 games we attended! In the meantime, we can share a few photos here which were already posted by members – enjoy.

MARK LANGILL TALK – As of our print deadline, we still had not received the final information regarding plans for Dodger historian Mark Langill to once again host an evening talk in August at the Whittier Public Library. Be sure to come to the July meeting, as we ought to have all the details by then. Don't worry if you won't be able to attend as we will send out an email blast to everyone with all the details. You won't want to miss the opportunity to hear this incredible man talk about any and all things Dodgers!

We are very saddened to share with you that longtime and past board member Robert Hemming passed away last May 19th after a long illness. He was 71 years old. He was that quintessential gentle giant – large and very imposing with a booming voice, mischievous eyes and a quick sharp wit but with the kindest and gentlest of hearts. He leaves behind wife Carolyn and daughter Victoria, both also longtime members. Our healing thoughts and prayers go out to Carolyn, Victoria and Robert's many other family members and friends during this difficult time.

On a happier, albeit a bittersweet, note, longtime member Victoria Hemming graduated from high school last month. She was barely a year old when she was first enrolled as a club member back in 2000. Over the years, we have had the good fortune to watch her grow from an infectiously cute and happy little girl into the beautiful and confident young woman she is today. Congrats, Victoria and best wishes to you as you move forward into adulthood and on to your next adventures!

**Save This Date, August 14th . . .**

Mark your calendars now to be sure to come to our August 14th meeting! We are having our **annual Ice Cream Social** before the meeting that night and you definitely don't want to miss out on this one. Our Ice Cream Socials are always a lot of fun and a welcome relief from the dog days of August – hope to see you there!
